### REMARKS

Applicants wish to thank the Examiner for allowance of Claims 1-5, 11 and 12. Claim 6 is amended to overcome the rejection under 35 USC § 112.

#### **1. Allowable Subject Matter**

Applicants gratefully acknowledge the indication that Claims 7-10 would be allowable if rewritten to overcome the rejection of claim 6 under 35 USC § 112, 2<sup>nd</sup> paragraph. Claim 6 is amended to overcome the rejection under 35 USC § 112, 2<sup>nd</sup> paragraph and thus, all the claims depended directly or indirectly from the amended claim 6 also define patentable subject matter.

### CONCLUSION

Therefore, Applicants respectfully submit that amended independent claim 6 defines patentable subject matter. The remaining dependent claims 7-10 depend directly or indirectly from the amended independent claim 6 and therefore also define patentable subject matter. Accordingly, Applicants respectfully request the withdrawal of the rejections under 35 USC § 112. In view of the foregoing remarks, the application is believed to be in condition for the allowance, and such action is respectfully requested. Should the Examiner have any remaining questions and the attending to of which would expedite such action, the Examiner is invited to contact the undersigned at the telephone number listed below.
